DEFINITIVE MAP MODIFICATION ORDER 2022**

This Order is made by East Sussex County Council ("the authority") under Section 53(2)(b) of the Wildlife and Countryside Act 1981 ("the Act") because it appears to that authority that the East Sussex County Council (Lewes District) Definitive Map and Statement require modification in consequence of an event specified in;

Section 53(3)(c)(i), namely the discovery by the authority of evidence which (when considered with all other evidence to them) shows that there is a right of way which is not shown in the map and statement subsists or is reasonably alleged to subsist over land in the area to which the map relates, being a right of way such that the land over which the right subsists is a public path.

Section 53(3)(c)(iii), or any other particulars contained in the map and statement require modification.

The Authority has consulted with every local authority whose area includes the land to which the Order relates. Accordingly, the East Sussex County Council hereby orders that:
